How to Apply for Texas Tech University Scholarships Through ApplyTexas

- Go to www.applytexas.org and create an account.
- Go to the “My Applications”.
- Click on “create a new application now”.
- Click the “Create a new 4 year university admission application” button.
- From the first drop down menu, select **Texas Tech University** as your target university.
- From the second drop down menu, select the appropriate application type.
- Select the appropriate “semester of entry” from the drop down menu.
- Click “continue”.

Please note the text in the blue box –The deadline is February 1st for entering freshmen –if you apply after February 1st, you will not receive scholarship consideration. The deadline for fall transfer students is March 1st and the deadline for spring transfer students is November 15th.

- Select your first and second choice of schools from the drop down menu.
- Select your first and second choice of majors.
- Hit “continue” button.

Please note the scholarship application deadline on the checklist.

- Click on “continue to my application”.
- Complete the admissions pages: you will then begin the 6 scholarship pages
- **After you save and complete page 9 of your application for admission, you are given the choice to “apply for scholarships” or “continue to essay section”. Click the “apply for scholarships” button.**
- Complete the scholarship application and proceed to the essay section and complete.
- Complete the certification and payment information. ***Be sure to check the scholarship section certification box.**
- Submit your applications
